

Countdown. Engines roar. Liftoff.

Atmospheric re-entry. Touchdown.

Stepping out onto the alien terrain,

Around a fire,

Looking up to the sky,

Walking in a strange forest,

At the bend of a clearing,

Suddenly,

Perched atop the mountain,

Deep in a strange cave,

In the lab,

*In his workshop,*

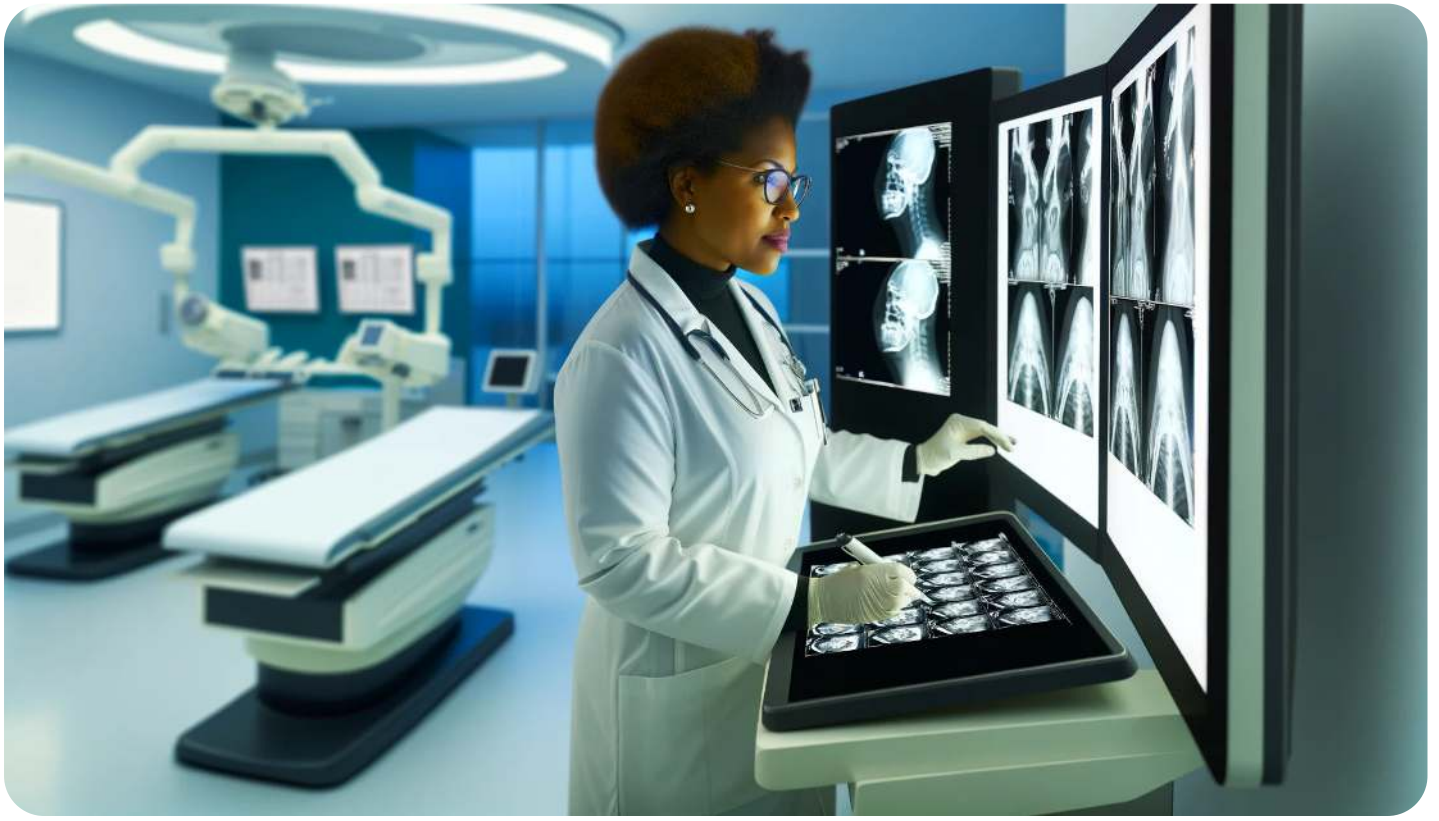

*In the kitchen,*

In his potato field,

*In her office,*

Deep in a colorful sea,

*You spot an unusual door.*

*A hidden world unfolds.*

A shipwreck looms ahead,

*Glowing with a mysterious light,*
