

Countdown. Engines roar. Liftoff.

Atmospheric re-entry. Touchdown.

Stepping out onto the alien terrain.

*Around a fire,*

Looking up to the sky.

*Walking in a strange forest.*

At the bend of a clearing,

*Suddenly,*

Perched atop the mountain.

Deep in a strange cave,

In the lab.

In his workshop.

In the kitchen,

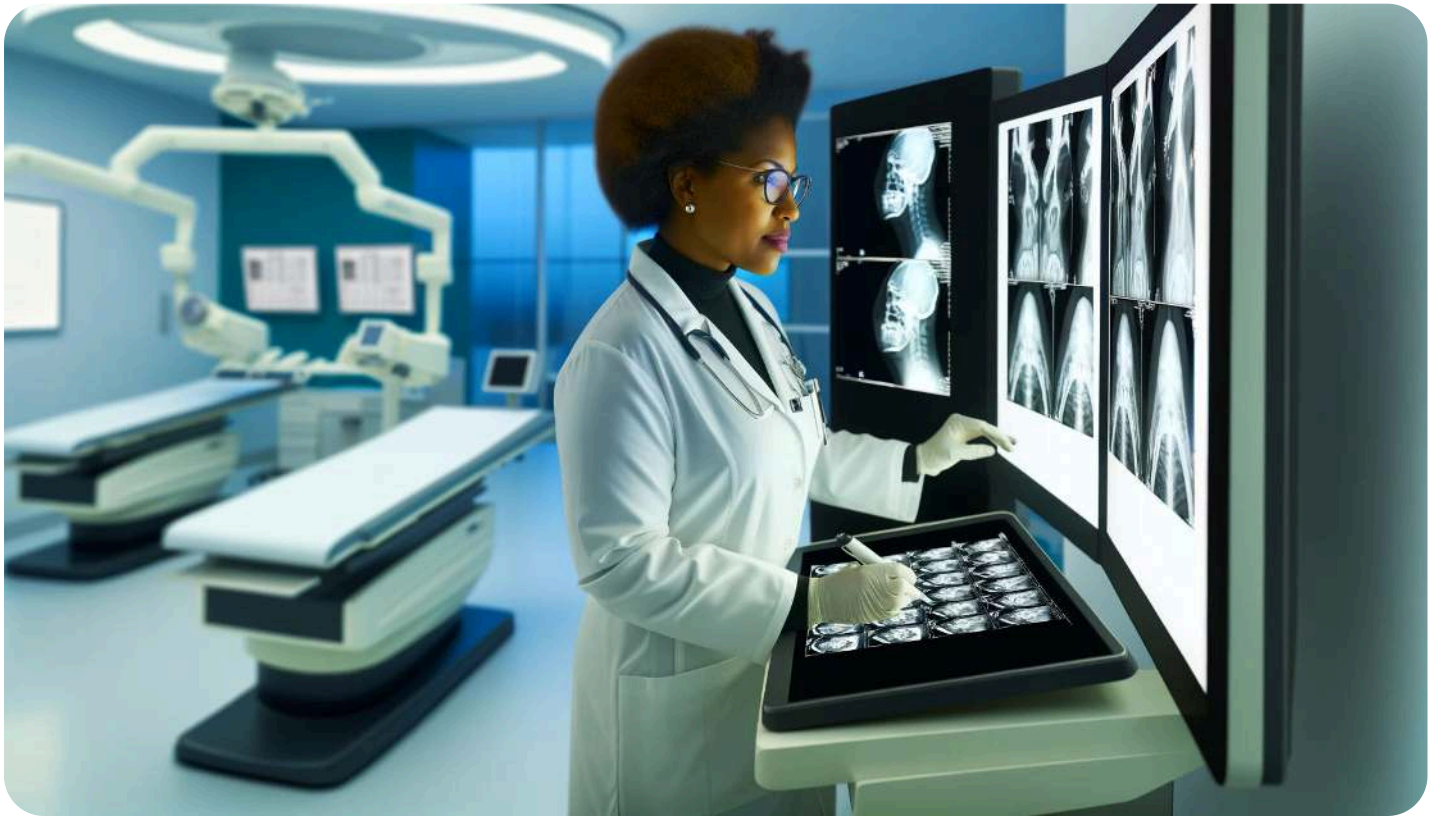

In his potato field,

In her office.

Deep in a colorful sea.

*You spot an unusual door.*

*A hidden world unfolds.*

A shipwreck looms ahead.

*Glowing with a mysterious light.*
